

COURSEY GRAVES

VOLCANIC SOIL MARITIME CLIMATE GENERATIVE FARMING ICONIC WINES

SONOMA COAST CHARDONNAY

A striking young wine. Subtle oak influence frames persistent aromas of pear, citrus blossom, and a hint of oyster shell. There is a richness on the mid palate that ties the acidity and oak influences, and a youthfully precise finale characterized by harmonious minerality. This wine will age beautifully over the next decade.

VINTAGE

2021

BLEND

100% Chardonnay

VINEYARD

A coming-together of two iconic sites – Charles Heintz Vineyard and Durell Vineyard. From the stony ancient river bottom soils in the Durell Vineyard to the Goldridge sandy soil of the Heintz Vineyard, yields are naturally very low which focuses the vine's energy into small amounts of fruit with intense concentration both on the nose and palate.

FERMENTATION

*Whole cluster pressed and cold settled
Fermented with indigenous yeast in French oak barrels*

ELEVAGE

*Aged 12 months in new and neutral French Oak barrels
Additional 4 months of sur lies aging in stainless steel barrels*
